A study of the fertility of mothers of twins R. G. RECORD, EILEEN ARMSTRONG, AND R. J. LANCASHIRE *page* 183

Predisposing factors leading to child trauma. An analysis of specific versus non-specific causes in motor vehicle and drowning fatalities JOHN PEARN *page* 190

The effects of immunisation upon the natural history of pertusiss. A family study in the Cardiff area C. K. VESSELINOVA-JENKINS, R. G. NEWCOMBE, O. P. GRAY, J. F. SKONE, C. H. L. HOWELLS, M. LENNOX, D. J. HINE, P. M. JENKINS, AND J. A. MUNRO *page* 194

Health service 'input' and mortality 'output' in developed countries A. L. COCHRANE, A. S. ST. LEGER, AND F. MOORE *page* 200

The application of a Poisson model to the annual distribution of daily mortality at six Montreal hospitals J. P. ZWEIG AND J. Z. CSANK *page* 206

Admission and adjustment of residents in homes for the elderly A. H. PATTIE AND C. J. GILLEARD *page* 212

Social support of patients attending a geriatric day hospital H. PEACH AND M. S. PATHY *page* 215

Consumer acceptability of day care after operations for hernia of varicose veins W. M. GARRAWAY, CONSTANCE CUTHBERTSON, NORMA FENWICK, C. V. RUCKLEY, AND R. J. PRESCOTT *page* 219

Economic aspects of day care after operations for hernia or varicose veins R. J. PRESCOTT, CONSTANCE CUTHBERTSON NORMA FENWICK, W. M. GARRAWAY, AND C. V. RUCKLEY *page* 222

Smoking in hospital: a survey of attitudes of staff, patients, and visitors D. J. GARRATT, N. A. GOUGH, E. J. TAYLOR, M. H. BANKS, AND P. H. SÖNKSEN *page* 226

No. 4 December 1978

Biography of Professor D. D. Reid GEOFFREY ROSE *page* 229

Bibliography *page* 231

Blood pressure measurement in the United Kingdom Heart Disease Prevention Project R. F. HELLER, G. ROSE, H. D. TUNSTALL PEDOE, AND D. G. S. CHRISTIE *page* 235

Vigorous exercise in leisure time and the death rate: a study of male civil servants S. P. W. CHAVE, J. N. MORRIS, AND SUSAN MOSS *page* 239

Employment grade and coronary heart disease in British civil servants M. G. MARMOT, GEOFFREY ROSE, M. SHIPLEY, AND P. J. S. HAMILTON *page* 244

A method for assessing volunteer bias and its application to a cardiovascular disease prevention programme involving physical activity RICHARD D. REMINGTON, HENRY L. TAYLOR, AND E. R. BUSKIRK *page* 250

Long-term consequences of respiratory disease in infancy W. W. HOLLAND, P. BAILEY, AND J. M. BLAND *page* 256

Smoking and health: the association between smoking behaviour, total mortality, and cardiorespiratory disease in west central Scotland V. M. HAWTHORNE AND J. S. FRY *page* 260

Four cardiorespiratory symptoms as predictors of mortality G. F. TODD, B. M. HUNT, AND P. M. LAMBERT *page* 267

A randomised controlled trial of the effect on middle-aged men of advice to stop smoking GEOFFREY ROSE AND P. J. S. HAMILTON *page* 275

Terminology in chronic obstructive lung diseases C. M. FLETCHER *page* 282

Cigarette consumption per adult of each sex in various countries G. F. TODD *page* 289

Monitoring disease in England and Wales: methods applicable to routine data-collecting systems PATRICIA FRASER VALERIE BERAL, AND CLAIR CHILVERS *page* 294

Cigarette smoking and bronchial carcinoma: dose and time relationships among regular smokers and lifelong non-smokers RICHARD DOLL AND RICHARD PETO *page* 303

The redundant factor method and bladder cancer mortality JOHN C. BARRETT *page* 314
